

Model: **Extendable FEET**  
Item Code: **609.00.SWHITE**

Item dimensions (cm): **Ø 88 x 100 - 120**  
Item weight (gr): **200**

Pack. dimensions (cm): **93 x 120 x 205**  
Pack. gross weight (kg): **1**

Quantity per box (pcs): **5**

### Technical characteristics

MASPI accessories are made from injected thermoplastic Technopolymers. All materials are selected and moulded with care in order to let them perform at maximum level. All materials are free from any PBDE or heavy metals in accordance with most of the recent legislation guidelines regarding environmental impact for domestic products.

"Extendable Feet" are therefore light in weight, strong (able to support 100 kg each), easy to adjust in height and completely recyclable.

### Guarantee

Our items are guaranteed for 5 years, providing that they are not damaged with hard or sharp edges tools or dirty with any grease during the assembling phase.
